You are guaranteed...

Our unwavering commitment to customer satisfaction and a proven process

We offer a streamlined process both during and after implementation that integrates with benefits administration systems, simplifying the complexities of administering LTD, STD and Life insurance.

Unparalleled customer experience

We offer personal support via email and phone and advocate on behalf of your employees when it matters most— during claims adjudication.

Online access to forms and materials

We reduce work load by providing online access to all plan materials, benefit summaries, claims forms and more.
